Terms and Conditions

- **Entry:** During each calendar year, you may enter as outlined in detail on our flyer. You may not enter more times than indicated by using multiple email addresses, identities, or phone numbers to circumvent the rules. If you use fraudulent methods or otherwise attempt to circumvent the rules, your submission may be removed from eligibility at the sole discretion of First Bite Pediatric Dentistry. Automated or robotic entries submitted by individuals or organizations will be disqualified.
- **AGREEMENT TO RULES:** By participating, you agree to be fully and unconditionally bound by these rules, and you represent and warrant that you meet the eligibility requirements set forth herein. In addition, you agree to accept the decisions of First Bite Pediatric Dentistry as final and binding as it relates to the content.
- **ELIGIBILITY:** Open to existing patients of First Bite Pediatric Dentistry. The person claiming the Prize must be at least eighteen (18) years of age. Employees of First Bite Pediatric Dentistry, their respective affiliates, subsidiaries, advertising and promotion agencies, suppliers, immediate family members and/or those living in the same household are not eligible to participate. This includes those people who share the same residence at least three (3) months of each year, parents, stepparents, legal guardians, children, stepchildren, siblings, stepsiblings, or spouses.
- **PRIZE:** Drawings held the month following the end of every half-year for four Disney 1 day 1 park tickets. Delivery of tickets will be through printed PDF of complimentary tickets. No cash or other prize substitution permitted except at First Bite Pediatric Dentistry's discretion. The prize is non-transferable. All prize related expenses, including without limitation all federal, state, and/or local taxes shall be the sole responsibility of the winner. No substitution of prize or transfer/assignment of prize to others or request for the cash equivalent by winners is permitted. Acceptance of prize constitutes permission for First Bite Pediatric Dentistry to use winner's name, likeness, and entry for purposes of advertising and trade without further compensation, unless prohibited by law.
- **ODDS:** The odds of winning depend upon the number of eligible entries received. Each entry will be considered to have the same odds of winning. However, each family will be able to accumulate multiple entries in the same quarter or have entries from previous quarter roll over to increase overall odds of winning until the end of the calendar year. Entries reset at the beginning of the next calendar year.
- **WINNER SELECTION AND NOTIFICATION:** Winner of the contest will be selected in a random drawing at the end of the contest half year. A First Bite Pediatric Dentistry team member will pick a random entry slip from the box. Winners will be notified via telephone or text within five (5) days following the winner selection. If the selected winner cannot be contacted, is ineligible for any reason, or fails to claim the prize within 30 days business days from the time award notification was sent, the prize will be forfeited, and another winner will be chosen. Previous winners are not eligible for future raffles.
